

Prograna

Evolutionary Coding System

Copywrite Information

All Prograna manuals, have been created exclusively to support your personal learning and continued journey with Prograna Evolutionary Coding System.

It is provided for your individual use as a participant of the Prograna evolutionary coding teaching systems and remains the intellectual property of Prograna Evolutionary Coding System founder Samantha Sarah Brown.

Please do not copy, reproduce, share, distribute, upload, sell, teach from, or provide this manual - in whole or in part to anyone who has not completed the relevant Prograna facilitator training(s).

Your manual may be downloaded and printed for your own personal reference.

The teachings, terminology, techniques, imagery and materials contained within are part of the Prograna Evolutionary Coding System framework and are shared with you in trust and integrity.

Thank you for honouring the work, teachings and the integrity of Prograna Evolutionary Coding System.

Samantha Sarah Brown
